PROFESSIONAL SUMMARY

Operations and technical support professional with experience coordinating client projects, delivering live-event AV services, and administering small-business workflows. Currently pursuing a degree in software development; interested in operations, administrative, and technical support roles.

EXPERIENCE

Encore Global — Lead AV Technician | May 2023–Present | Dallas, TX

- Set up, operate, and verify audiovisual systems for live events; troubleshoot equipment and signal-flow issues.
- Coordinate technical execution to event requirements and guide other technicians during setup and operation.

Elm Aperture — Owner / Photographer & Videographer | Aug 2022–Present | DFW

- Manage client inquiries, estimates, pricing, scheduling, contracts, invoicing, payment collection, and project delivery.
- Produce real-estate, hospitality, portrait, and event media; independently plan equipment, workflows, and deliverables.

Save State Records LLC — Co-owner | Jul 2020–Present | Texas

- Handle business administration including state filings, tax correspondence, contracts, finances, and digital distribution.

Ambishen Studio — Studio Coordinator & Photographer | Nov 2019–Aug 2022 | Dallas, TX

- Supported studio operations, client photography sessions, and production coordination.

SELECTED TECHNICAL PROJECTS

Paola Book Sales & Dashboard | Built a bilingual storefront and order-fulfillment tools using TypeScript, Stripe Checkout, Netlify Functions, and Firebase Authentication.

Steelwise | Developed a Python/LLM-assisted lead-enrichment workflow processing more than 7,500 records.

pvplayer | Developing a Rust application to synchronize MPD audio playback with mpv video playback.

EDUCATION

Collin College | Bachelor of Applied Technology, Software Development — Expected Spring 2029

Associate of Applied Science, Software Development — Expected Spring 2027

Fullstack Academy / University of Texas at Dallas | Software Development Bootcamp, 2023–2024

VOLUNTEER EXPERIENCE

Bring the Light Ministries | Food-bank distribution and outreach volunteer, Feb 2025–Present
